

# Health Physicals

A health physical is required for all children entering:

- Early Childhood
- Preschool
- Kindergarten
- Sixth Grade
- Ninth Grades
- The physical must be completed within one year prior to entry into the above grades. The health physical examination must be completely filled out and signed by the physician or his/her agent.
- If your child has attended Early Childhood or Preschool for the entire school year, they may use that physical for Kindergarten. It is not necessary to have another physical.
- **Sports physicals are not the same as school physicals.** School physicals are more extensive and can be used in the place of a sports physical.
- Sports physicals are needed when your child enrolls in a sport and must be presented to the coach at the first practice! NO EXCEPTIONS!
