

Dental Examinations

Dental Examinations are required by May 1st each year for the following grades:

Kindergarten
Second
Sixth

A dental examination form for this school year may be dated up to 18 months prior to the May 15th deadline. Please have your dentist to fax the dental form to 547-3144.

Each year in February, a Mobile Dentist group comes to South Central Elementary School to provide free dental examinations, cleanings, sealants and fluoride treatments to our students. This only requires paperwork to be completed for your child to be seen.

If you have questions regarding the exam, please feel free to contact Nurse Tracy at 547-7696.
